Peace

IS . . .

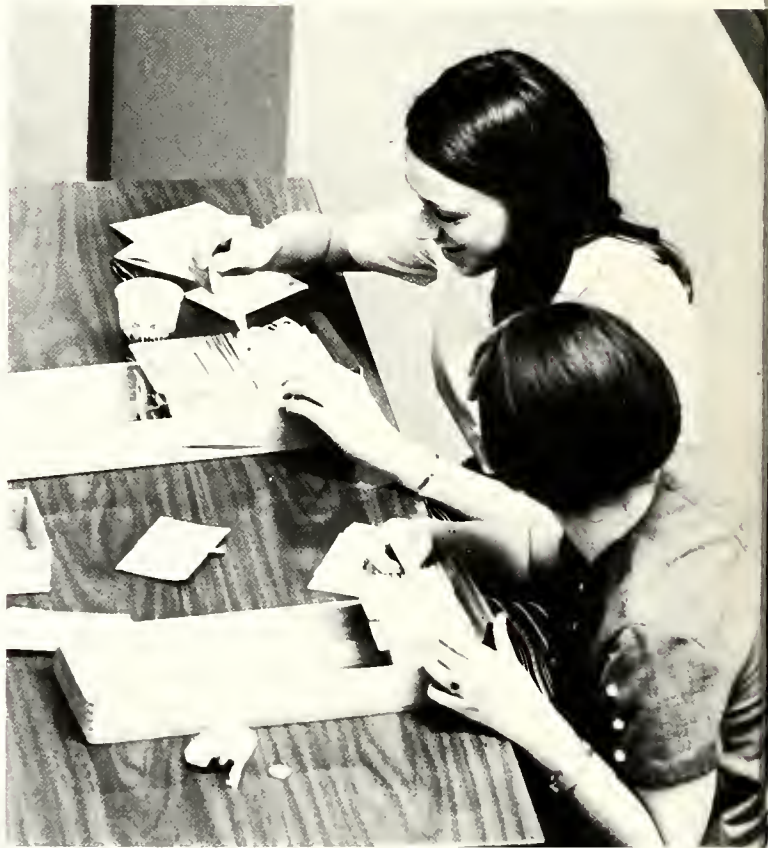

Nothing can
bring you peace
but yourself,
nothing can bring
you peace but
victory over
your lower self,
triumph over
your senses and
mind, desires
and cravings.

"Peace is
an
ornament
of a
sage."

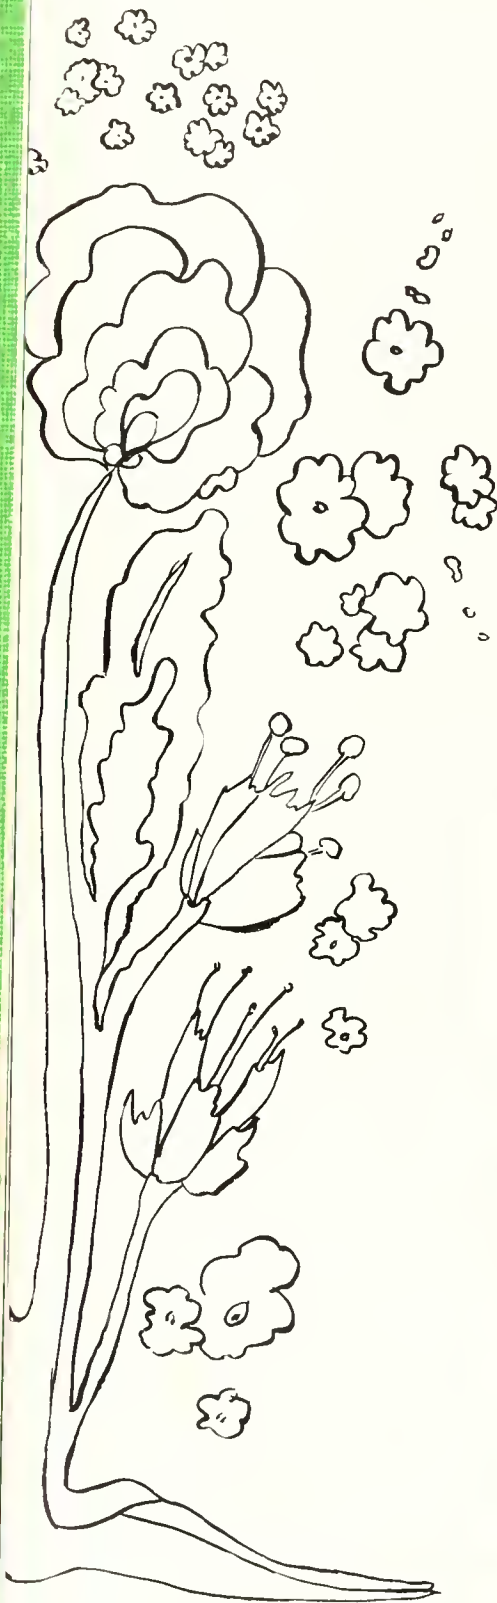

You can purchase many things but
you can not buy peace . . .

“One who has found
peace in himself
will bring peace
to others.

The peace must be
found within.”

peace is a state of quiet, a freedom from disturbance, anxiety, agitation, riot, or violence. it is harmony, silence, calm, repose, rest.

peace is a happy natural state of man. it is his birthright, war is his disgrace . . .

Peace does not
dwell in outward
things
but
within the
heart

"...an individual part of a whole..."

It is a great thing to effect the life of one person but to effect the lives of many people is even greater. Mr. Thomas is more than just the chaplain of a small junior college, he is a friend to all involved with Peace. He's here, he listens, he cares, he responds. This annual is dedicated to you Mr. Thomas, out of respect, admiration and love.

May, 1971

Peace is a divine attribute,
it is a quality
of the soul.

Reform yourself . . .
Society will reform itself . . .

PEACE COLLEGE

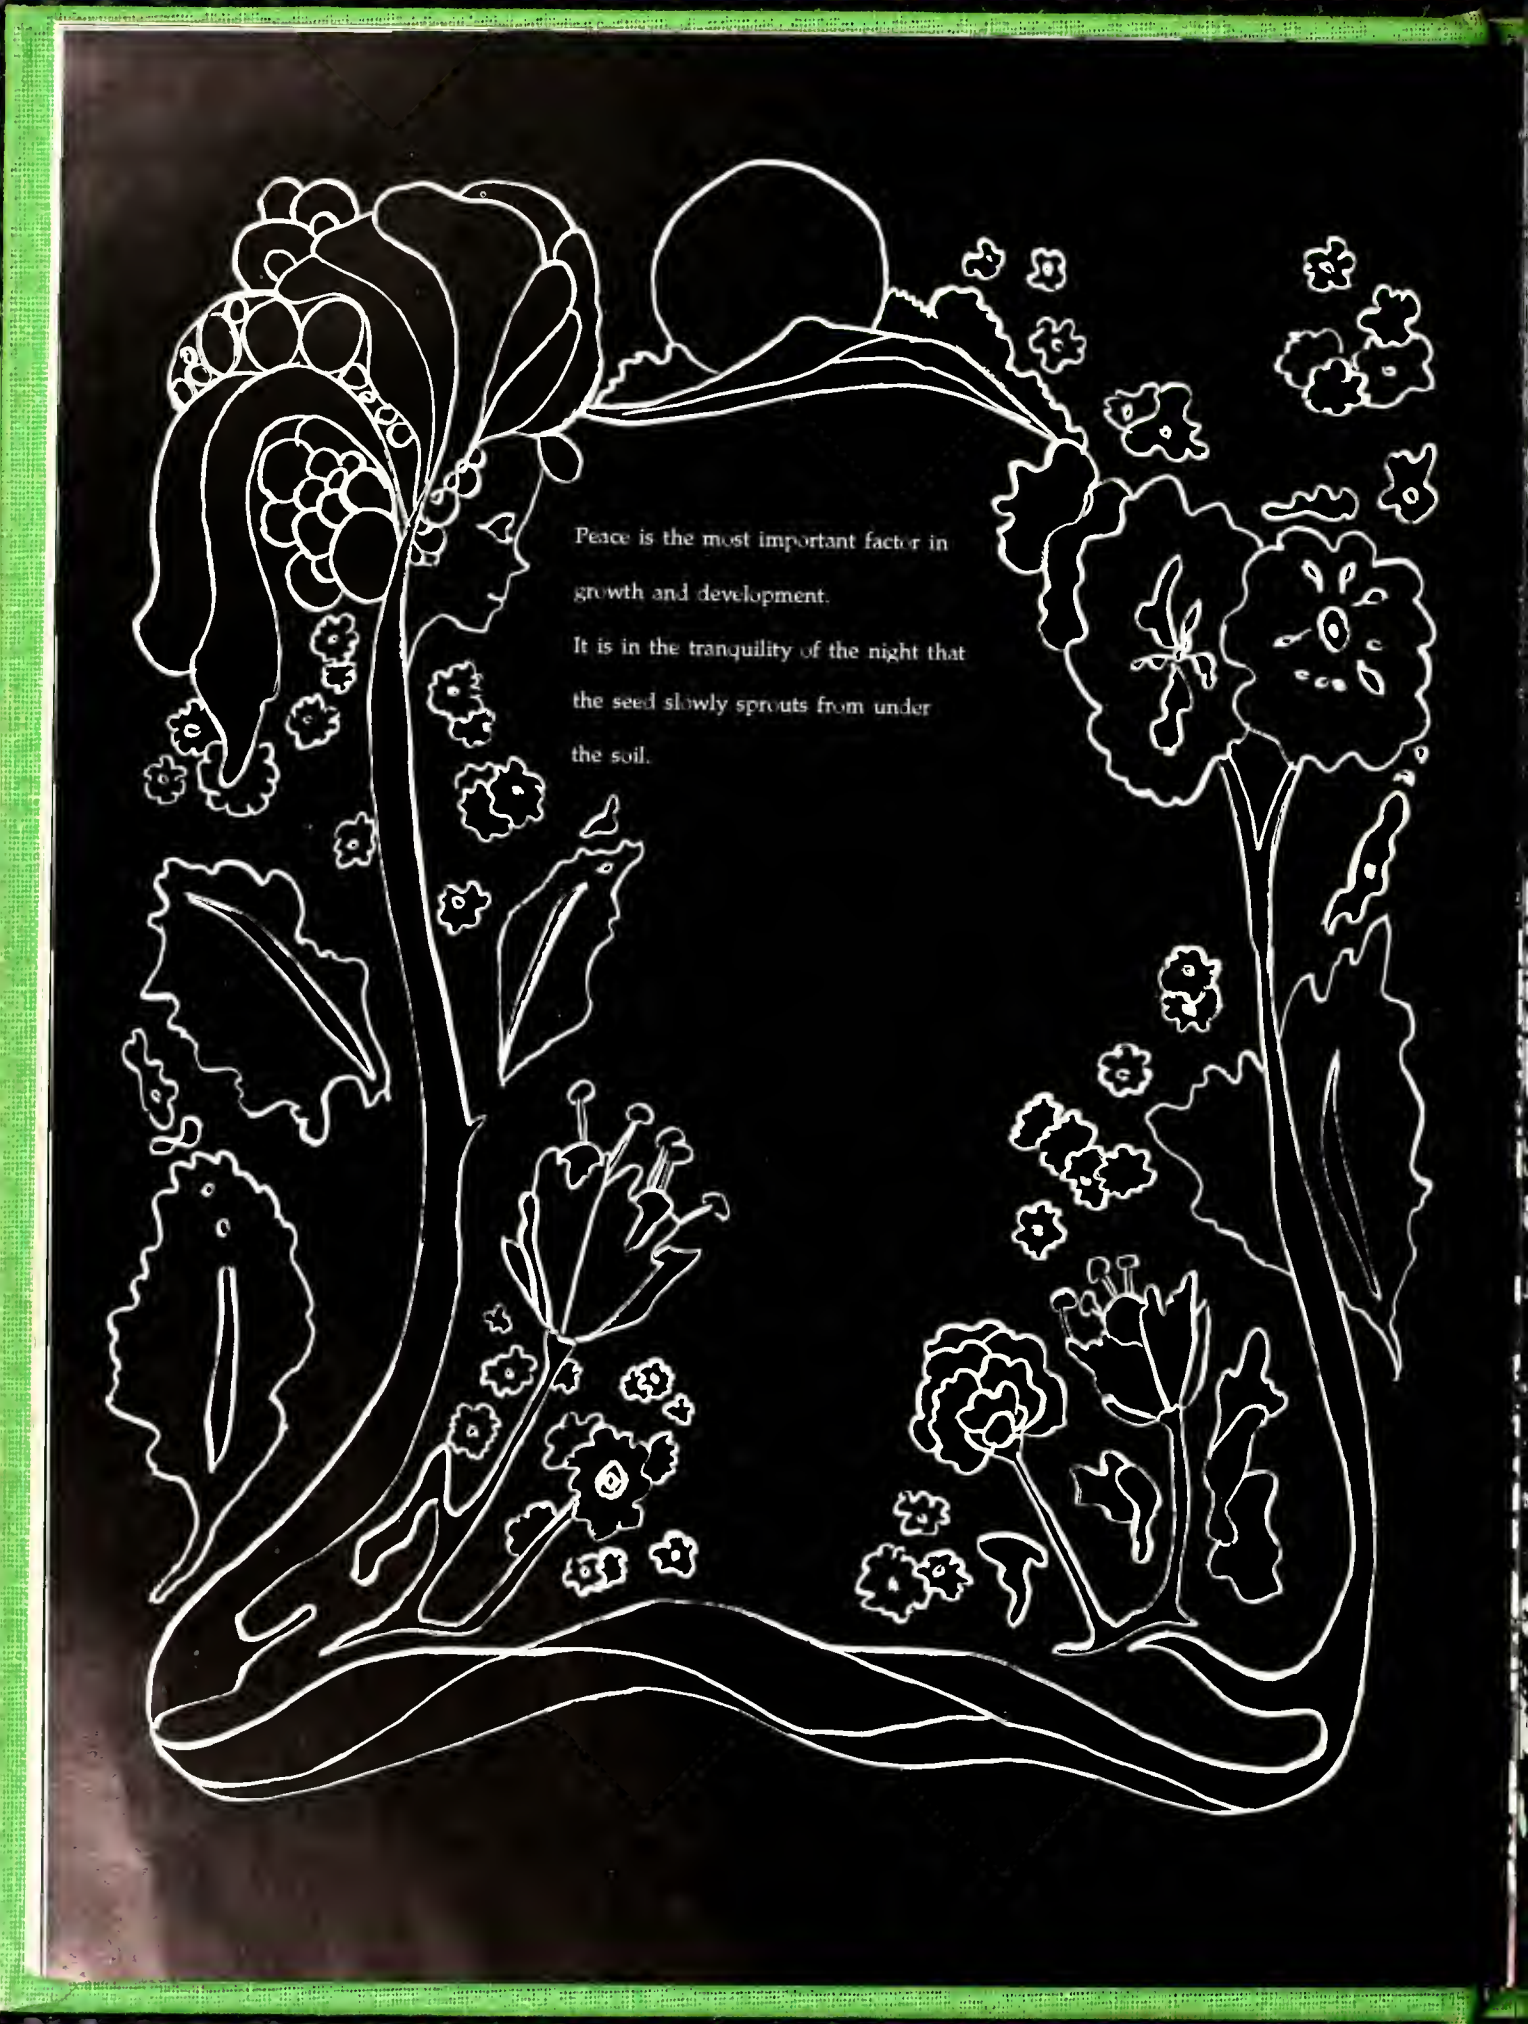

Presbyterian junior college for women. Chartered 1857; opened 1872. Main bldg. was used as Confederate hospital & as Freedmen's bureau.

Is peace involvement?

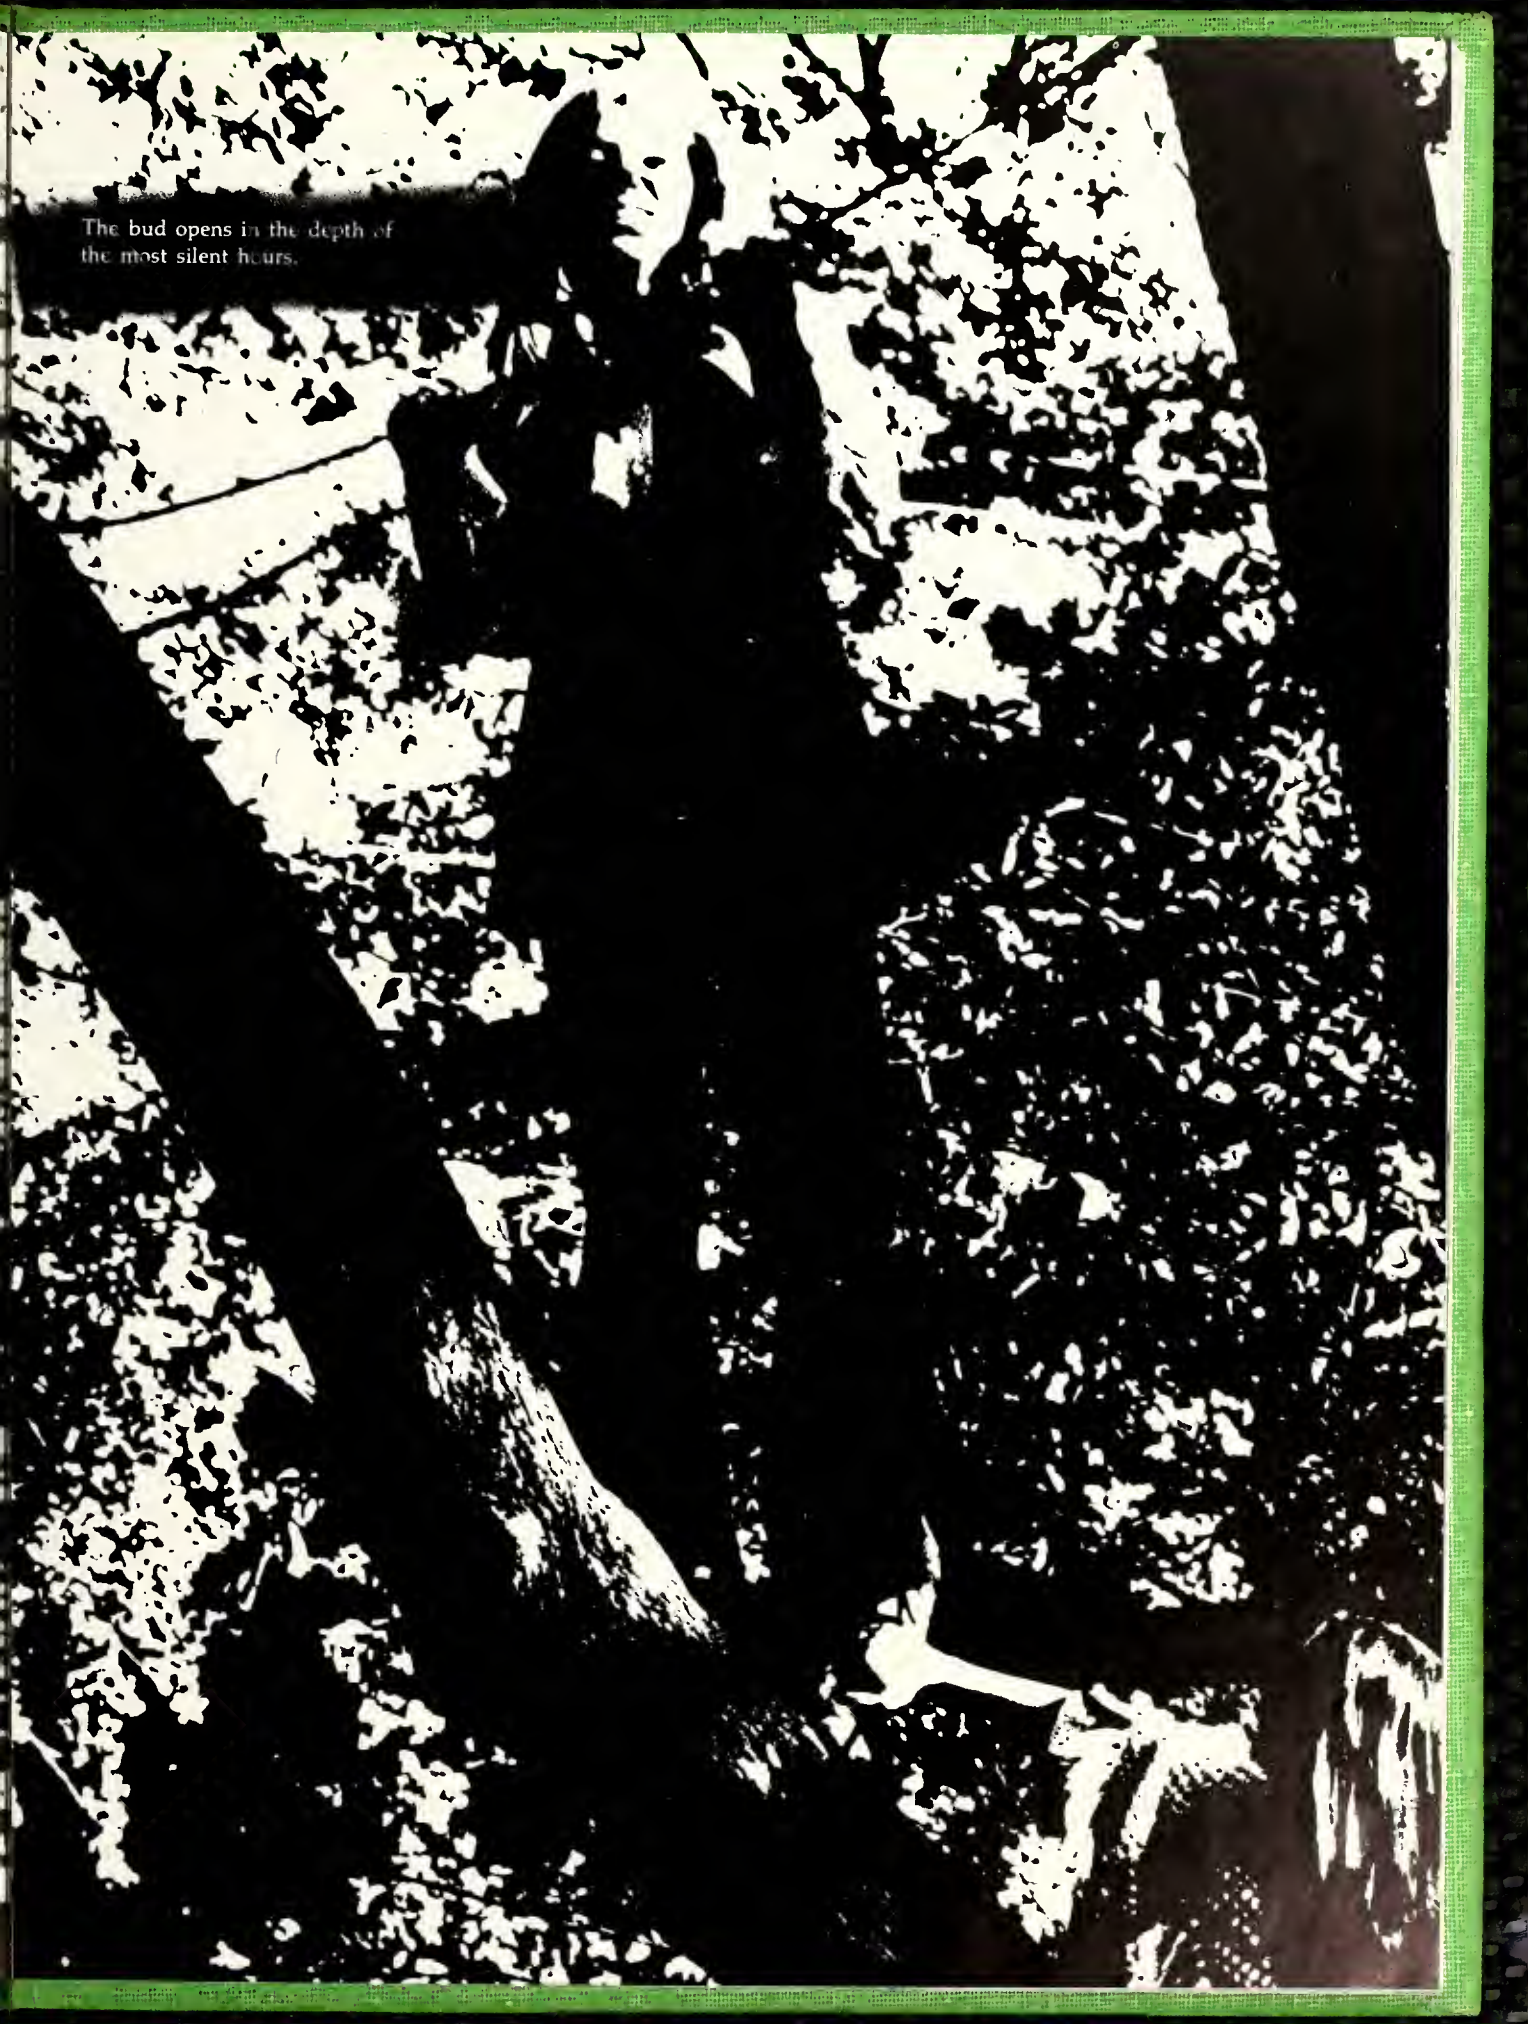

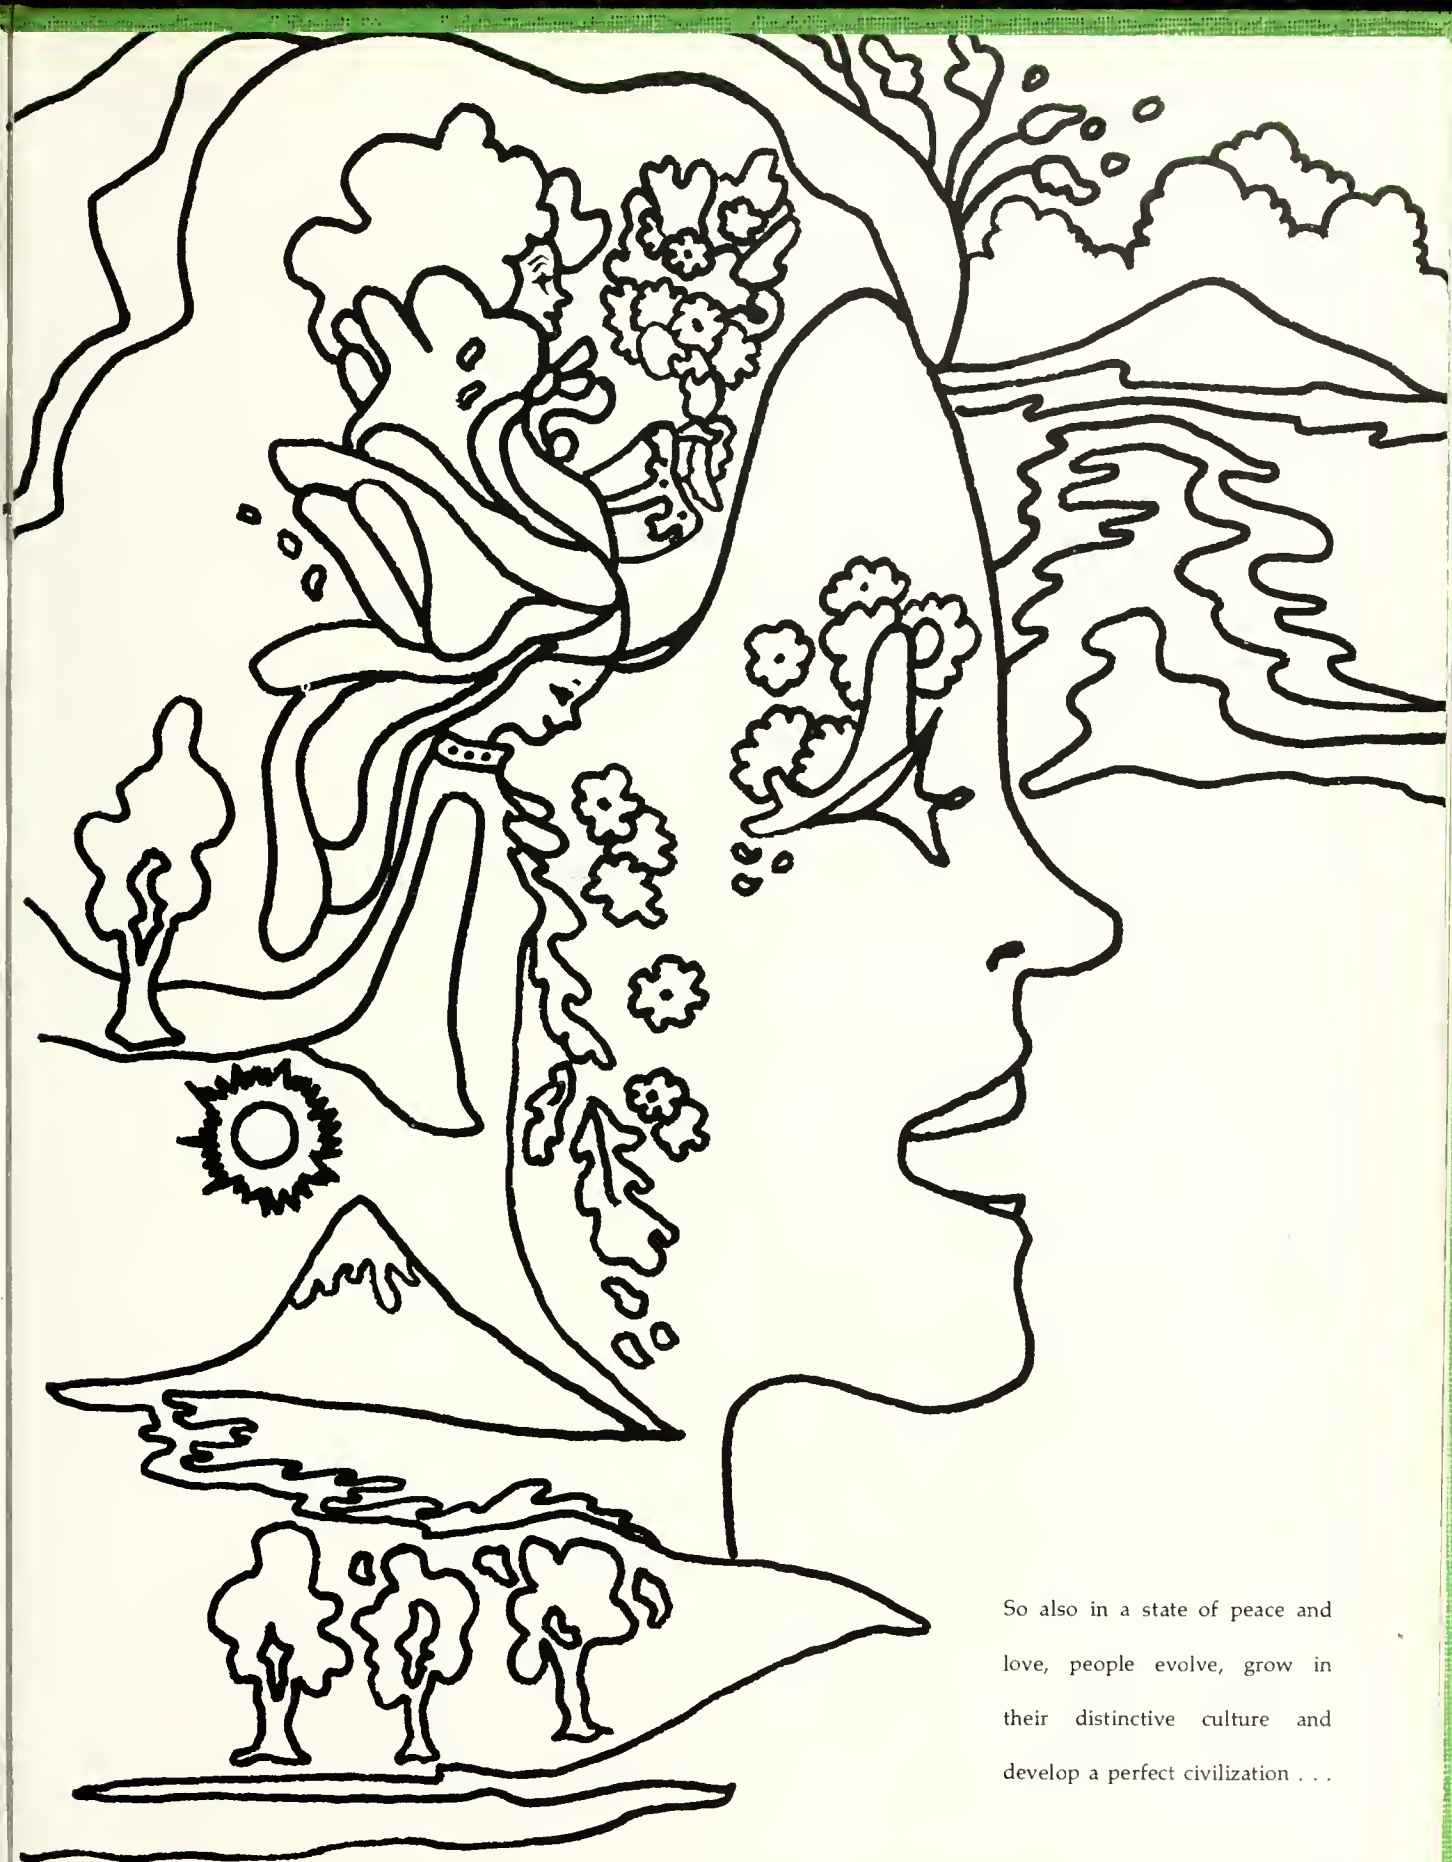

Peace is the most important factor in
growth and development.

It is in the tranquility of the night that
the seed slowly sprouts from under
the soil.

The bud opens in the depth of
the most silent hours.

So also in a state of peace and love, people evolve, grow in their distinctive culture and develop a perfect civilization . . .
